

PATIENT ACKNOWLEDGMENT OF RECEIPT OF DENTAL MATERIALS FACT SHEET

Dear Patient,

Due to a new regulation from the Dental Board of California we are now required to provide each patient with a Dental Materials Fact Sheet. This fact sheet describes the most frequently used restorative materials in dentistry. Although not all materials included in the fact sheet are used in our office, the information is for your educational purposes only.

Please read this fact sheet and if there are any questions please do not hesitate to ask us. To acknowledge that you have received a copy of the Dental Materials Fact Sheet we will ask each of you to sign the Patient Acknowledgment of Receipt before your appointment at the office.

Thank you for your patience and understanding in this matter. Again, if you have any questions please feel free to ask us.

Sincerely,

Dr. Bedolla, Dr. Cook, and Staff
